Notice is hereby given that the Appomattox Town Council and the Appomattox Planning Commission will hold a joint public hearing on May 25, 1978, at 7:30 p.m., to allow citizens of the Town of Appomatox and any and all persons to express their views on the proposed change to the Appomattox Town Zoning Ordinance from R-1 to R-2, the property fronting on the south side of Court Street, from Virginia Avenue, north to a point 300 feet north on Court Street from Ferguson Street. This area is the depth of the lots facing Court Street.

Also the Town Council and Planning Commission propose a new definition to be added to the Appomattox Town Zoning Ordinance for professionals.

The definition is:

SCHOOL BOARD CONSIDERS REVISED SCHOOL BOARD POLICIES

Con't from Page 1

colleges and school divisions were in the county on April 27-29 to evaluate the program in AMS and ACHS. The committee was very complimentary of the Appomattox program and felt that it was being the best in the state.

With the increasing costs of textbooks and all supplies and materials used in the schools, the School Board reviewed the present fees charged students and the increase that may be necessary for next year. The board concluded that it will be necessary to increase the textbook rental fees, as well as fees in other areas. This area will be discussed again at the June meeting prior to action by the Board.

Mrs. Peggy Deyerle and Miss Patsy Butler appeared at the meeting to request that the board approve as a part of its grievance procedure binding arbitration as its final step. The board received the report and informed the teachers that it would be considered and discussed at a future meeting.

A second request of the teachers was that the board discuss and consider action on the 1977-78 ACEA program of action. The Board agreed to include the ACEA Program of Action on the agenda for the June meeting.

Miss Patsy Butler requested the board to provide a school bus or buses for shuttle service from ACHS parking area to downtown and return during railroad festival week-end. The use of the ACHS parking area was also requested.

It was suggested that Miss Butler write a letter to Mr. Armentrout, ACHS principal, requesting use of the parking lot and that arrangements be made for insurance coverage regarding the use of school buses. These items will be discussed at a later board meeting.

In other action, the board approved the following persons to serve on the Business Education Advisory Committee: Julie Moore Stratton, Mrs. Harry Alvis, Janice Giles, Floyd Williams, Mrs. Patsy Harvey and Jim Dorety.

The board authorized the superintendent to have a boiler installed at the Pamplin School Cannery to meet requirements and specifications with consideration given to purchasing a used boiler from Mecklenburg School System or a new boiler from Milstead.

June 7 and June 27 were set as dates for school board meetings before the end of this fiscal year.
